

Vacancy: Treasurer for Stichting striped.one

Build a Meaningful Future with Us!

Location: flexible

Commitment: Approximately 8 hours per month

Do you want to use your financial expertise to contribute to an organization dedicated to fostering a world where everyone leads a meaningful life? Stichting striped.one is looking for a passionate and meticulous Treasurer to help us achieve our mission: globally facilitating purposeful life and creating impact for individuals, organizations, and communities.

Who Are We?

Stichting striped.one was founded by two visionary brothers with a dream: to empower individuals and communities to live lives imbued with meaning and purpose. Guided by our unique philosophy and five pillars – including the Charter for Compassion and The Earth Testament – we work towards a sustainable and inclusive society.

Our treasurer plays a vital role in managing our financial resources and directly contributes to our impact.

What Will You Do?

As treasurer, you will be responsible for:

- **Financial management:** Overseeing the foundation's financial administration, payments, and budgets.
- **Strategic advice:** Contributing to the development of financial strategies that support our mission.
- **Ensuring transparency:** Preparing annual reports and financial statements that comply with legal requirements and reflect our commitment to sustainability and ethics.
- **Optimizing resources:** Ensuring our platform surplus is effectively used to drive the transition to a meaningful life.
- **Collaboration:** Actively participating in board meetings and working closely with the chairperson, secretary, and other stakeholders.

Who Are We Looking For?

Our ideal treasurer:

- Has a background in finance, accounting, or a similar discipline.
- Brings strategic insight and has an affinity for social impact and sustainability.
- Works meticulously, is trustworthy, and communicates effectively.
- Identifies with our core values: empathy, logic, ethics, and universal harmony.
- Experience with ANBI foundations or non-profit organizations is a plus.

What Do We Offer?

- The opportunity to apply your financial expertise for a higher purpose.
- Collaboration within a passionate and professional board.
- The ability to make a direct impact in the transition to a meaningful life.
- An inspiring work environment where your ideas and vision are valued.
